BROKE THE RECORD.
Twenty-Four-Hour Bicycle Record Smashed by a Local Man.

Another local bicycle record has been broken, and the plucky rider to be presented with a racing wheel as a reward for his work. This time Mr. E. C. Yeatman of the Washington Road Club is the lucky man, and he broke the twenty-four hour record on the Conduit road between the Washington Road Club and the Anglers' Club House, a distance of a little more than ten miles. The previous record was held by L. E. Wahl, who rode 24 miles within the time limit, breaking the record of J. J. Fister of the Georgetown Cycle Club.

The start was made Monday evening at 6 o'clock, and the rider left his wheel at 5:20 yesterday, losing thirty minutes on account of the rain. The Washington Road Club arranged a schedule of 32 miles, but the rider kept a little below the schedule, and had covered 31 3/4 miles when he desisted his silent steed.

The pacer was Messrs. E. T. Davidson, W. H. Dakin, William Joseph and Frederick Schade of the Washington Road Club and Messrs. J. J. Fister, Hardy Pritchard and H. S. Greer of the Georgetown Cycle Club.

At the reservoir the wheelmen had erected a large tent, in which the times and paces spent part of the night, while at the club house end of the course a large camp fire kept them warm.

The ride during the night was made extremely unpleasant, the rider being in the fog. During the night the rider partook of a light lunch at Brill's several times and drank ginger ale as a stimulant. The result was that he finished the ride with a headache and had the rain not in when it did the rider would, in all probability, have covered several more miles before 6 o'clock.

A Decorative Art Society.
The need of an exchange where ladies who can do fine decorative embroidery, etc., can find a market for their productions has of late years been a want in this city. Several establishments of this kind that have been a feature of the West End several years ago have passed out of existence, although in each instance the work was very fine.

The project is again being agitated by a number of ladies, and with better prospects than ever of attaining the desired end. To assist the scheme there will be a bazaar held at the Richmond Hotel on Friday and Saturday, November 17 and 18, when specimens of fine needlework and fancy articles will be on sale, the proceeds of which will be devoted to the establishment of a Decorative Art Society. Such a society would help ladies who are in need of the money to dispose of their handiwork.

Mrs. Coleman, Mr. Hall, and Mrs. Robert K. Stone have given the use of their parlors for this bazaar.

A Bit of Butter Gossip.

KING OF FLOWERS.

The Chrysanthemum Has Been Crowned This Week, at Least.

WASHINGTON FLORISTS' CLUB SHOW.

Many Awards Have Already Been Made by the Judges.

OFFICERS OF THE CLUB.

The chrysanthemum show of the Washington Florists' Club is now at its best. All day long there has been a constant stream of people entering the National Rifles' Army and the accommodations of the club have been taxed to the utmost since the doors were first opened yesterday afternoon. Admiring throngs have wandered among this wonderful collection of flowers, casting envious eyes at the great bunches of chrysanthemums, roses, carnations, orchids and other blossoms that are displayed with such lavish profusion.

This is the day of the chrysanthemum. At this season of the year the Japanese flower naturally takes precedence of all others, and with the opening of the chrysanthemum show the interest comes to a climax. For weeks past the chappies of the flower and the swell girls have been bedecked with the royal yellow flower, but now it goes even beyond that. The chrysanthemum is the day of the chrysanthemum.
